A Tradition of Excellence Continues

Inspired by the noble cause of education and philanthropic zeal, a group of twenty-two like-minded industrialists in Kolkata established, in 1990, Kalyan Bharti Trust (KBT), a public charitable foundation, to promote and provide higher education in the country and in the State of West Bengal, in particular. To achieve KBT's objective, The Heritage School (THS) and the Heritage Institute of Technology (HIT-K) were set up in 2001, while The Heritage Academy (THA) came up in 2007. The Management Education Centre of HIT-K, set up in 2003, was accorded an independent status by AICTE as Heritage Business School (HBS) in 2013. The Heritage Law College was established in 2015.

Kalyan Bharti Trust launched The Heritage College (affiliated to the University of Calcutta) for General Degree Courses, from the academic session 2016-17, with a view to develop a world-class institution with ample opportunities for research in science and social sciences, by instilling a sense of lifelong transformative learning in the graduate, and creating an intellectual community to serve the nation. The College is driven by the commitment of bridging the gap between aspirations and reality in college education with a difference, in the disciplines of Science, Commerce & Humanities.

A harmonious integration of valued traditions with modern outlook is the guiding principle behind the development of the academic environment that constitutes the basic philosophy of the college.
