

# THE HERITAGE COLLEGE

## Special Notification for Students

THC/NO.163/19/03/2020

In view of the temporary suspension of classes as per government order to check the spread of COVID-19 (corona virus), it is to be noted that Professors and the HODs of different Departments of The Heritage College have taken adequate steps to help the students through (i) sending them study materials (ii) giving them assignments, etc. through various kinds of online modes in order to compensate the unwanted situation arising out of the loss of direct teaching classes as well as to cover the syllabus within CBCS framework. They are to act accordingly. It is further noted that all students can call any teacher including the HOD regarding the completion of assignment. They are requested to keep in touch (over phone) with their teachers.

**Dr. Puspitaranjan Bhattacharya**  
Principal  
The Heritage College
