

**The Heritage College**  
**Department of Mathematics**  
**Notice / Dept. of Mathematics / 2021**  
**Departmental E-Magazine: SIGMA: Vol-1, No.-1**

This is to inform everyone that, the Department of Mathematics of The Heritage College, Kolkata 700107 is going to publish its departmental E-Magazine under the title **SIGMA** in July 2021. For further details, please go through the following.

Interested students and respected Faculty members of every department are requested to submit their write up related to Mathematics in any of the following classifications:

**(1) Research/Syllabus related mathematical article (“Dr.Math”):**

Anyone who has done minor project work or research in the area of mathematics or related to mathematics or in such a subject that has connection or application in mathematics can submit their write-up. Alternatively, if the write-up is related to their syllabus in which mathematical knowledge is applied, such an expository article is also allowed to submit.

**(2) Review(“The Pen Is Mightier Than Sword”):**

This is such an article type which is typically either review of some mathematical activities, newly published books, latest discoveries related to mathematics, any videos, or anything suitable and related to Mathematical science, in which a readable article is possible to produce.

**(3) Short stories(“Pebbles”):**

Needless to explain. Although it is not compulsory to write stories related to math, who doesn't like to see the creativity if someone writes mathematical stories?

**(4) Long stories(“Marvels”):**

Similar to “Pebbles”. Allow the readers to explore the mathematical universe.

**(5) Poems(“Rhyme-Rhythm-DeComposition”):**

Similar to “Pebbles”, the poet is encouraged to showcase their talents in poetry as well. Math-related? Allowed!

**(6) Classroom experience(“Trip Down To Memory Lane”):**

The teacher or the students can share some of their memorable/funny experiences which they gained during the math class sessions/math interview etc. The write-up should be in the enjoyable readable format of memory recall.

**(7) Miscellaneous(“Functions”):**

Anything suitable for publication in the E-Magazine, which is not included above. E.G. any Mandela art, geometrical design, drawings, puzzles, riddles, mathematical games, crosswords, latest news, jokes, or *anything creative*. The writer is advised to show their talent in their creation by relating to mathematical activities, as much as possible(optional). Also, it is recommended to make the drawings/art, etc. in Black & White if possible.

**Special Instruction.**

(1) There are no restrictions in total word count in either of the items stated above.

(2) **Language:** English(recommended), Hindi, Bengali

(3) There is no restriction on the number of submissions of any item stated above.

(4) Submission must be done ONLINE mode only. The link is shared below in item(11).

(5) Submission starts from 1st June 2021 onwards. The last date of submission is 6 pm, 30th June 2021.

(6) The write-up must be in editable format, preferably in MS Word/LaTeX/Google Docs. However, if it is difficult to typeset the mathematical symbols, the writer is advised to submit their handwritten document in a neat and clean format. Avoid submission in PDF form as much as possible, unless necessary.

(7) However, submissions of the drawings/art category need to be JPEG/JPG format of high quality.

(8) Priority will be given to those who write up which are closely related to / has utilized mathematics inappropriate way. However other types of submissions are also encouraged.

(9) Mere submission does not ensure the publication of the same in E-Magazine. The write-up will undergo some selection process, and the editorial team’s decision regarding this matter will be final.

(10) **Caution:** Only original creation is allowed. In no circumstances, copied or plagiarized materials will be considered for publication.

(11) **Submission Link:** <https://forms.gle/G9PjBnVTrRAf35CdA>

(12) The submission must include a separate cover page in which the following are mandatory: (i) Name, (ii) Designation, (iii) Department, (iv) Affiliation, (v) Submission classification. This cover page can be created either in MS Word or Google Docs or Manually.

(13) For further insight, please contact: (given below).

(14) It is recommended one should check the spelling/grammar mistakes of his document before submission. Use the website <https://www.grammarly.com/> for this purpose free.
